Chissa' se questo, peraltro abilissimo Brad Pascale, o qualcuno nel suo team, non finisca per pensare/capire che, magari... **magari**, con queste affermazioni finiscono per infastidire ed ottenere l'effetto esattamente contrario !?

XXXXXXXXXXXX,

I've never seen anything like this.

Democrats are scraping the bottom of the barrel to come up with a game plan in an attempt to bolster their already-losing candidates. They're moving the goalposts daily to try and undermine President Trump.

Do you want to know how that's going for them? **They have no backbone, no leader, no message, and worst of all, NO respect for the Constitution.** President Trump's approval poll numbers are SKYROCKETING thanks to their Impeachment Charade.

But, that doesn't mean we can just sit around and wait for Election Day.

I'm meeting with President Trump at the end of the week to go over our 2020 Strategy, and he's asked that I get the input of a few trusted Republican leaders, like YOU, before I put together the final memo that he'll read.

The data we're collecting is crucial to our success in 2020. It will help us decide which states we need to deploy

volunteers to, where we should be targeting our efforts, and what we can do to show the rest of the country that we need another four years of President Trump.

Instead of asking 84 MILLION registered Republicans across the Nation, I'm only asking a select group of the President's BEST SUPPORTERS in each county to take our **Official 2020 Strategy Survey**.

Your answers will represent the views of EVERY Republican who lives in the XXXX zip code.

The truth is, thanks to Nancy's Impeachment Scam, our approval poll numbers are only going UP. This Witch Hunt is showing the American People the Democrats' true colors and exposing them for the FRAUDS that they really are.

I know President Trump will WIN BIG at the ballot box in November, but I want to make sure we're ready to face whatever the corrupt Democrats throw at us.

That's why your input is so critical, XXXXX. Next time I meet with President Trump, I want to show him what YOU think.

Take our Official 2020 Strategy Survey before 11:59 PM TONIGHT to have one of the first responses President Trump sees.

Thank you,

Brad Parscale
