Where do you need to send your shipment today?

Test our professionalism and call +39 045 58 56 23 now to get your free quotation.

Good Morning,

We deal with shipments and we'll briefly illustrate the services we provide, looking forward to welcoming you with pleasure as our future customer.

Albini Group is been working in the shipping industry for over 30 years and deals with the import / export of goods either in Italy or Europe or other countries in the World.

The company also provides customised transport solutions from foreign to foreign countries.

Our logistic services include road transport management in Europe, Eastern countries and North Africa. Air and maritime transport covers the rest of the world.

In Italy we have two WHS=warehouses strategically located in Verona and Milan, open 24/7/365. From here we can consolidate your purchases and carry out the loading in groupage or complete. We can, likewise, carry out the distribution throughout Italy.

We are located 170 Km west from Milan, 100 Km east from Venice, 200 south from the Brenner Austrian border, 120 Km North from Bologna.

If you are looking for speed, accuracy, punctuality, Albini Group is at your service. Let us ask you two simple questions:

**Where do you need to send your shipment today?
Why do you continue to seek when you have already found us?**

**Test our professionalism
