*Where do you need to send your shipment today?*

*Test our professionalism and call +39 045 585 623 now to get your free quotation.*

Good Morning,

We deal with shipments and we'll briefly illustrate the services we provide, looking forward to welcoming you with pleasure as our future customer.

The Albini Group has been in the shipping industry for over 30 years, constantly dealing with the export & import of goods, either in Italy or Europe, or any other Countries in the World.

Our company also does provide customised (tailor-made) transport solutions, from foreign to foreign countries, pursuant to our clients' nowadays' most demanding needs and requirements.

No job is impervious for us.

Our logistic services include road transport management in Europe, Eastern countries and North Africa. Air and maritime transport covers the rest of the world.

In Italy we have two WHS=warehouses strategically located in Verona and Milan, open 24/7/365. From here we can consolidate your purchases and carry out the loading in groupage or complete. We can, likewise, carry out the distribution throughout Italy.

Our HUB is located 170 Km (106 miles) West of Milan, 100 Km (62 miles) East of Venice, 200 km. (124 miles) South of the Brenner Pass (Austrian border), and 120 Km (75 miles) North of Bologna.

**If you are looking for speed, accuracy, punctuality, Albini Group is at your service. Let us ask you two simple questions:**

- **Where do you need to send your shipment today?**
- **Why keep searching, when you just found us?**

**You are welcome to test our Professionality**
